Fantasia Ballet Show, 10th year anniversary, Saturday 19th April

Fantasia Ballet celebrates its 10th year anniversary on Saturday 19th April, at Abu Dhabi Authority for Culture and Heritage by designing an outstanding ballet performance. The show, under the direction of Ballet Master, Mrs Svetlana Al Neyadi, will start at 6pm and will last 2h30. It involves child artistes trained in Abu Dhabi as well as young adults who have reached a professional level in Ballet. Skilled ballerinas and young aspirants will pirouette around to enchanting classical, folk and Arabic music in a spellbinding show.

The event is to raise funds for the Special Care Centre Abu Dhabi, for the Donate A Brick Campaign, a fundraising initiative to build larger premises for special needs children in Abu Dhabi. The cost of ticket is AED 50 (a ticket counter is open at Cultural foundation from today).

The 'first of its kind' show in the capital will be a truly rewarding experience for the audience and will help to collect the much needed funds for the Special Care Centre, a non-profit organization dedicated to the welfare and rehabilitation of children with special needs.
